**Busiest Men in Country Find Time to Go to Church. Do You?**

**N**O man is too busy, no man's time so precious, that he cannot afford to spend a small part of one day in seven in the house of God.

Don't lie in bed on the Sabbath morn. The church services are not at an early hour. Six days in the week a man will rush for the office to be in time for business. That is all right. He should be prompt in his business duties. He should also be prompt in his business with God. It is true that this is a rush age. But the biggest men in the country, the men whose services are worth as much in an hour as the ordinary man's are in a day, may be seen for an hour and more every Sabbath in church. These men find time to GO TO CHURCH. They realize the seriousness of their obligation. They are not shirkers. They do not consider it a sign of weakness to be seen in church. They want to be seen there. All honor to these men.

When you hear a man say that he is too busy to GO TO CHURCH reason with him, recall to him that the busiest men in the country manage to find time for divine worship. If you are healthy and prosperous, GO TO CHURCH and thank God for His blessings. If you are ill and in want, GO TO CHURCH and pray to God that your condition may be improved. And that reminds us how ready some people are to forget God and His blessings when things are coming their way. It is only when misfortune comes that they turn to God and the churches. Then they need God and the consolation that the church affords.

But, while God is merciful, he also is just. If when people are prosperous and happy, they do not find time to visit the house of God, it is not just that God should pour out his blessings and graces to them when misfortune comes.

Don't make the specious plea that you're too busy to GO TO CHURCH.

GO TO CHURCH next Sunday and every Sunday.
